From the Worshipful Master:

Dear Brethren,

Old Man Winter has sat down upon us, and it is cold outside!!!

I am looking forward to this New Year. It is my wish that we have a productive and prosperous year. I am here to work for you, and I want you to know that you can call upon me any time for whatever you may need.

We have closed the pages of our service for the year just past and are beginning another year of service and close friendship. I hope, as we work here together, that the friendship and love that we have for each other grow and bear worthy deeds in the coming year.

Fraternally,

Jon Larmoyeux
Worshipful Master 2012
